

Logging into Ascend for the first time?

Visit www.horiconbank.com or download Horicon Bank's Ascend from the play stores to get started.

Step One: Username and Password

Enter your current username and password then click "login."

Step Two: Select "Create New Password"

Step Three: Read and Accept the Terms and Conditions

Step Four: Select One of the Two Boxes According to your User Type

Non-admin business users should select the "Reset my business sub user password" box on the left. Personal users and Business Admins should select the "Reset my password" box on the right.

Step Five: Verify Your Identity

Enter your SSN or TIN (for a business and sub user) to verify your identity to access your accounts. The dashes in your SSN/TIN are optional. For business users, be sure to enter your business' TIN and business' zip code.

Step Six: Select Verification Method

Select if you'd like to receive a verification code by text, phone call or email and enter verification code when prompted.

The image shows two overlapping screenshots from a mobile application. The top screenshot is titled "Password Reset Method" and lists three options: "SMS Text" (selected), "Email", and "Voice Call". Each option has a brief description of how the code will be delivered. A "Continue" button is visible at the bottom left. The bottom screenshot is titled "Verification Code" and shows a message: "A 6-digit code has been sent to your phone number (***-***-273)". Below this is a field labeled "Enter Code" with a placeholder line. Underneath the field, it says "Code Will Expire In 5 Minutes" and provides links for "Resend code" and "Change method". A "Verify" button is at the bottom left.

Step Seven: Create New Password

Create your password

Your password must be at least twelve characters in length, contain at least one lowercase letter, at least one uppercase letter, at least one special character, and at least one number.

Success! You're logged in and ready to take advantage of all the financial tools that Ascend has to offer!
