<sup>1</sup> Please note that, as used herein, "Desired Credit Limit" refers to a credit limit request by the Business, and is in no way binding upon Horicon Bank.

### IMPORTANT TERMS AND APPLICATION AGREEMENT Please read carefully before signing.

Business Owner/Applicant ("Owner") authorizes Horicon Bank ("we," "us" or "our") to obtain a consumer credit report and a business credit report for use in assessing his/her personal creditworthiness in connection with an Application by Business, of which Owner is an employee, principal, owner, partner, officer or guarantor, for a Business Bonus Rewards Card. We need such consumer reports because Owner may have a direct, contingent, present or future liability to us for the Business's obligation in connection with the Account. All applicants agree that, as long as the Account is open, we may obtain credit reports about the applicants from time to time. We reserve the right to consider the applicant for a lower line of credit if one was requested. This Application must be signed by an Owner with authority to bind the Business to the terms of this Application Agreement. The Owner certifies that the execution, delivery and performance of this Application has been authorized by all necessary corporate action by the Business, and will provide evidence of such action upon request. If the Business is approved for the Business Bonus Rewards Card, the Owner requests and directs us to open an account for a Business Bonus Rewards Card ("Account") and to issue Business Bonus Rewards Cards ("Cards") to any individual Employees of the Business, inducting the Owner, designated by the Owner on this Application or its addendum, or by any process agreed to by us and the Business. The Owner and the Business shall be jointly and severally liable for all charges on the account. Each applicant understands and agrees that we may increase or decrease the APR or credit limit assigned to the Account and/or the Cards within the Account or close the Account at any time bused on our credit guidelines, credit report information, Account history or the financial circumstances of the Cardmember. At the time the Account is opened, individual Employees, including the Owner, will be issued Cards and a Cardmember Agreement governing use of the Account and Cards. By providing us with a telephone number for a cellular phone or other wireless device, including a number that you later convert to a cellular number, you are expressly consenting to receiving communications - including but not limited to prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system - from us and our affiliates and agents at that number. This express consent applies to each such telephone number that you provide to us now or in the future and permits such calls for non-marketing purposes. Calls and messages may incur access fees from your cellular provider. Use of the Card or the Account will signify acceptance of the terms of the Cardmember Agreement, which may be amended from time to time. All applicants must be at least 18 years old and agree that Accounts will be used primarily for business purposes, and not personal, family or household purposes. You agree that, in order to open and administer the Account that may be established as a result of this Application, we and any correspondent financial institution that solicited this Application may share certain information about you and your ongoing Account activity. Information from this Application may be shared with our affiliates. Cash access is subject to credit approval.

How We Will Calculate Your Balance: We use a method called "average daily balance". See your Cardmember Agreement for further information regarding how we calculate your balance.

Loss of Introductory APR: We may end your introductory APR and apply the standard APR if you make a late payment, make a payment that is returned, or your account exceeds its Credit Limit.

How We Will Calculate Your Variable APRs: We calculate variable APRs by adding a margin to the highest U.S. Prime Rate published in the Money Rates section of The Wall Street Journal two business days (not weekends or federal holidays) before the closing date shown on your billing statement. The APR may increase or decrease each month if the Prime Rate changes. Any new rate will be applied as of the first day of your billing cycle during which the Prime Rate has changed. If the APR increases, you will pay a higher interest charge and may pay a higher minimum payment. The Prime Rate is simply a reference index and is not the lowest interest rate available. If The Wall Street Journal stops publishing the Prime Rate, we will select a similar reference rate.

Prime Rate: Variable APRs are based on the 7.50% Prime Rate as of December 26, 2024.

Purchase APR: For Purchase transactions, we add a Margin of 8.99% to the Prime Rate of 7.50%. The Purchase APR may increase or decrease each month if the Prime Rate changes, but will not exceed the maximum rate of 27.99%.
