

ACCOUNT TRANSFERS and LOAN DRAW/PAY – SMART WEB APP

Make transfers between your accounts instantly or schedule in advance.

- 1) Select Account Transfer for Deposit Transfers and Loan Draw/Pay to make a Loan Payment.

- A list of processed transaction are displayed.
- Each transaction can be viewed by selecting the 3 dots, and choosing details.

Date	From	To	Description	Amount
Processed				
03-22-2018	IB Two (...0795)	Glider V-Flight Checking (...7510)	[Redacted]	\$3.34

- 2) Select Transfer Funds/ Loan Transfer to create a new transfer

- First select the "Transfer From" account. This is the account that will be debited. Next, select "Transfer To" account. This is the account that will be credited. Enter the "Amount" and select the "Transfer Date". Lastly choose the Frequency (One-Time, Daily, Weekly) and the "Recurrence".
- A summary of the request will appear; verify and select "Submit".
- Another message will appear asking to "Authorize Payment;" choose "Confirm".

The image shows a "Transfer Funds" form. On the left, there are fields for: "Transfer From" (with a dropdown arrow), "Transfer To" (with a dropdown arrow), "Amount" (\$25.00), "Send Date" (07-19-2018), "Memo" (Memo), "Frequency" (Daily), and "Recurrence" (Until Canceled). On the right, there is a "Summary" section with the following details: "Amount \$25.00", "From", "To", "Send Date 07-19-2018", "Frequency Daily", and "Recurrence Until Canceled". At the bottom, there are two buttons: "Cancel" and "Submit".
