Mobile View

- First select the "Transfer From" account. This is the account that will be debited. Next, select "Transfer To" account. This is the account that will be credited. Enter the "Amount" and select the "Transfer Date". Lastly choose the Frequency (One-Time, Daily, Weekly) and the "Recurrence".
- A summary of the request will appear; verify and select "Submit".
- Another message will appear asking to "Authorize Payment;" choose "Confirm".

The image shows the 'Transfer Funds' form. On the left, there are input fields for: 'Transfer From', 'Transfer To', 'Amount' (set to \$25.00), 'Send Date' (set to 07-19-2018), 'Memo' (set to Memo), 'Frequency' (set to Daily), and 'Recurrence' (set to Until Canceled). On the right, there is a 'Summary' section with the following details: Amount \$25.00, From, To, Send Date 07-19-2018, Frequency Daily, and Recurrence Until Canceled. At the bottom, there are two buttons: 'Cancel' and 'Submit'.
