

HORICON BANK
The Natural Choice®

Remote Deposit

Processing your business' deposits is now more convenient than ever with Horicon Bank's Remote Deposit service. Streamline your deposit process and help to mitigate fraud.

How Does Remote Deposit Work?

We provide the technology to image-capture checks and send them electronically to your account, saving you a trip to the bank.

Why Remote Deposit?

By enabling your business to immediately and securely process deposits, Remote Deposit:

- Allows you to manage your funds more effectively
- Saves you valuable time and resources so you can be more competitive
- Gives your business more independence and strength without time and service restrictions
- Reduces check fraud risks
