## Let's Take a 'Peep' Around Racine

### Tuesday, April 16, 2019

Join us for a 'peep'licious day in Racine!

Let's start the morning with a tour of the 10th Annual International PEEPS Art Exhibition at the **Racine Art Museum**. Yes, that's right, 2D and 3D works of art using any holiday variety of PEEPS®.

Brunch will be at **The Christmas House**. The Christmas House was built in 1893 by Emily Baker, Robert H. Baker's widow who was one of the "Big Four" original partners of J.I. Case Company which is now known as Case New Holland. Robert H Baker was mayor of Racine in 1874. This beautiful property is part of the Southside Historic District and is on the National Register of Historic Places.

After brunch we head over to **Milaeger's** for a greenhouse tour. In a little 8 foot by 12 foot hobby greenhouse in the backyard of Dan and Joan Milaeger was the seed that grew into the Milaeger's of today. Ten years later, the couple offered their first crop of annuals from a 30 foot by 90 foot greenhouse at the newly purchased Douglas Avenue site. Their creativity, energy and spirit of willingness to do whatever was right for the customer propelled the business into continued expansion. Today, the company has over 90 greenhouses, all open to any gardener who seeks the pure enjoyment of viewing a crop of color in its growing environment.

Next up is a visit to **Phoenix Chocolate & Confectionery** for a sweet treat!

On the way home, we'll stop at Wisconsin's first **IKEA** store. The 293,000 square foot store opened on May 16, 2018. If you need a bite to eat before we head out, stop at their 300 seat restaurant inside the store. Happy shopping!

Grab one or two of your favorite 'peeps' and join us!
