Dear Valued Customer,

Markesan State Bank previously shared the news that they were joining forces with Horicon Bank. We now advise you that your account at Markesan State Bank will become a part of Horicon Bank in October 2019.

Markesan State Bank will close at 5pm on Friday, October 11 and remain closed on Saturday, October 12 and Monday, October 14. The branches will reopen on Tuesday, October 15 as Horicon Bank branches.

Along with this letter, we are sharing a checklist that will help prepare you for the transition to Horicon Bank. We encourage you to review and retain the enclosed transition-related material to assist in a smooth conversion.

We will be sending additional communication in the future. So watch for a Welcome Packet, Schedule of Important Dates, and material that will help you transition your online services, debit cards and loan servicing agreements. Our goal is a smooth transition – with as little disruption to your life as possible.
